

Submitter: Hannah Mabbott
On Behalf Of:
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB769

Good afternoon,

My name is Hannah and I urge you to support SB769 as it gives power back to counties that are under represented in the state and allows the better control of wildlife management. We need this to help struggling ungulate populations and to keep the number of lions stable.

Thank you for your time
