Topic: SB769

To whom it may concern,

Thank you for the opportunity. My name is Grady K Rawls and I am a resident of Wallowa County. I am in full support of counties being able to have control of how mountain lions are controlled.

Over the last twenty years I have spent as much time as I can in the woods of Wallowa County. It has been tough to see the Mule Deer population go down in our precious areas. Where we would see groups of mule deer we now see signs of predators and especially Mountain Lions. This is something that needs to be addressed immediately before we get to spot of no return.

Please help this go to a vote in the upcoming election.

Thank you,

Grady K Rawls
