

Submitter: Taylor Rembowski  
On Behalf Of: Economic Development Director  
Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water  
Measure, Appointment or Topic: HB2982

As the Economic Development director in the region I am in favor of increasing boating fee's for the Aquatic Invasive Species Prevention Fund. We are facing a major economic disaster if the quagga, zebra or golden Mussel where to make it into our watershed. We need money allocated for education, outreach and inspection checkpoints. This funding would certainly help!
