I do NOT support this bill. Our Founding Father's were very intelligent men and did not make a mistake in wording our Founding Documents. The word Militia was strategically placed for the protection of the Citizens of this great Country, and therefore the word Militia NEEDS to STAY! IT would do some good for our Representatives especially the ones who drafted this toiletry, to start abiding by and upholding their oath to the Constitution and following in our Founding Father's foot steps instead of always trying to trample their Constituents!
