

Submitter: Nicholas Laviolette  
On Behalf Of:  
Committee: Senate Committee On Natural Resources and  
Wildfire  
Measure, Appointment or Topic: SB769

I have seen the dramatic increase in animals being killed since the stopping of hounds used for hunting Cougars, farm animals, pets, you name it, the deer population is dropping and Elk, whenever the state has a problem animal that's how they handle it is with hounds? What is the difference if we do the same to hunt them and keep the numbers down?
