On Behalf Of: Rural Oregon
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB769

This is a common sense measure to help deal with the very real danger cougars pose to homes and businesses near wilderness areas. In my community, cougars are routinely seen prowling around homes, vacation rentals, and livestock. People in our community need more tools to use in the management of this risk. Thank you for considering this bill.
