On Behalf Of: Rural Oregon
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB777

Ranchers in rural Oregon face significant financial loss when wolves are allowed to roam close to private rangelands. Compensation that is a fixed dollar amount cannot keep up with a rancher's actual losses. Moving to a fair-market value approach makes sense if we want to protect both wolves and ranchers. Thank you for considering this measure.
