

Submitter: Keith Sloderbeck  
On Behalf Of: Keith Sloderbeck  
Committee: Joint Committee On Transportation  
Measure, Appointment or Topic: SB458

Please support this Bill as a resident that has to continually use this Highway there are so many blind spots, poor lighting and areas that have no guard rails that could lead to severe accidents. Please increase funding for this highway so it will be safer for who use this road. Thank you!
