Measure, Appointment or Topic: SB947

This measure is unconstitutional, a clear violation of the 2nd Amendment. What is most entertaining is the authors attempt to redefine the word 'militia' to suit their own purpose. By putting all the power to control (this is the whole point and we know it) both the organized and unorganized militia, you are deeming the STATE as judge jury and executioner. At least you make it painfully obvious your intent to strip away yet another of our God Given Rights to establish their Oligarchy!

Before you start redefining the word 'militia' I suggest you learn what its true historical meaning is and the proper application of it. A good primer would be from Edwin Vieira Jr.
