

Submitter: Dave Peticolas

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2698

More people in Oregon should be able to own homes and setting concrete goals towards that is appropriate and will highlight the need for additional, concrete action to meet those goals. I support this bill for that reason. Much more legislation is needed to help make those goals a reality and address the critical housing shortage that puts home ownership out of reach for so many.
