I strongly oppose this SB947. This is totally unconstitutional under Article 6 Section 2.. According to the Supreme Court the Militia refers to "the People" or citizens. The word militia was put in place for a reason. This bill is a sneaky way for future legislation to get more control of the citizens and their firearms rights. The Peoples right to keep and bear arms under the 2nd Amendment shall not be infringed on and no government state or federal can take those rights away. When will you reps understand.

All of you people in state office are voted in by the people and you are supposed to represent the people who put you there. You are not in office to make decisions you want to benefit yourselves. Do your job and listen to what the people want, live up to your oaths of the Constitution, or remove yourself from office. NO ON SB947 Its time to concentrate on more important issues in this state and stop trying to take away the firearms rights of the People or rewriting the Constitution.
