Committee: Senate Committee On Veterans, Emergency
Management, Federal and World Affairs
Measure, Appointment or Topic: SB947

Changing the MEANINGS of words. Interesting and Most CERTAINLY an obvious nefarious attempt at simple-minded MANIPULATION!

STOP IT!

We don't pay you people for such Insanity. We have Homeless, TRASH in our Cities, on our Public Streets and in our Forest where animals are being Killed everyday from this. Our Elected used to care Deeply about KEEPING OREGON GREEN! Oregon was a State people wanted to move to, begin a business and not contend with the VASTLY increased Taxes our Elected have burdened us all with.

What about Fires? Fires that KILL and DESTROY! And here these ignorant Buffoons are foolishly attempting to manipulate The People into believing words and phrases are not what they truly mean. Alexandria's Library was burned by such people! HITLER burned those books!! And here we have Elected 'Officials' acting in NAZI ways to accomplish the SAME Thing!

Stop this NAZI Attempt labeled SB 947 and I pray that The People will wise up and Vote these type of Manipulators from the Great Halls of Freedom in OUR Capital. Shame on them.

Sincerely,

Eric Simpson
