

Submitter: Kelly Hoeckelberg-Young

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB769

This is a barbaric practice that voters have already voted against. Can we simply be known for showing compassion for other innocent living beings? What is wrong with our moral compass that we would consider reinstating such a practice? Disappointed and disheartened to see that this is even being proposed. Please choose to be a voice of compassion instead.
