

Submitter: Cassandra Oliveira

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB547

I support making April Oregon's Native Plant Appreciation Month. Oregon is home to a large variety of native flora, many of which we are still learning about and discovering. By giving April this designation it will bring awareness to the native plants of our beautiful state and help to engage the public, private organizations, and the government in education, conservation, and a general interest and awe of these amazing species. Please vote YES!
