On Behalf Of: Jerry and Laura Richards  
Committee: Senate Committee On Natural Resources and  
Wildfire  
Measure, Appointment or Topic: SB769

We absolutely/ strongly oppose this measure!!

Who benefits from this , only hunters who enjoy chasing wild animals with dogs to kill them!!

We were imagining that by this century the morality of killing beautiful creatures of wildlife for enjoyment and enlarging a self image of manhood was over.

Oregonian have defeated this basic measure before why and who are those reintroducing again?
