I want to express my full support for this bill. Oregon is an incredible special place, a place that truly lives its values of supporting and celebrating our small local businesses. I cannot think of a better way to do that than showcase these wonderful businesses at a showcase market in downtown Portland. This is something our state and city have needed for a long time and, in these complicated, uncertain, and difficult times, I think anything we can do to support, celebrate, and focus our community on the wonderful things that exist right in this state, are absolutely paramount.

I send my immense thanks to Rep. Isadore for the sponsorship of this bill
