

Submitter: Sheila Dooley

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB777

By overcompensating ranchers by this amount, the bill creates a disincentive for them to use non-lethal approaches. Focusing more funding on helping ranchers implement lasting, non-lethal solutions would be better for everyone involved by reducing both livestock and wolf deaths.

Please rewrite this bill and focus funding on providing non-lethal solutions.

Thank you.

Sincerely,

Sheila Dooley
