Committee: House Committee On Labor and Workplace Standards
Measure, Appointment or Topic: HB2792

RE: Support for HB 2792

To the House Committee On Labor and Workplace Standards,

Healthcare is a nonprofit business, should be public reportable expenses for tax purposes and transparency like school districts, public entities, etc. should have same accountability for managing funds responsibly if going to be noted as NONPROFIT.

Thank you for accepting my testimony and I look forward to your support.
Oregon Nurse
