

Submitter: William Wallace

On Behalf Of:

Committee: Senate Committee On Veterans, Emergency
Management, Federal and World Affairs

Measure, Appointment or Topic: SCR2

I oppose SCR 2 in its current form. SCR 2 mischaracterizes the importance of the Aurora State Airport if a significant seismic event or other major natural disaster occurs in this area. I do however support Senator Woods' amendment. The amendment recognizes the importance of the Aurora State Airport in emergency management. Importantly, it identifies the conflict between private jets and heavy lift helicopters at the airport. The amendment corrects the inaccuracies in the original bill.
