On Behalf Of:

Committee: Senate Committee On Veterans, Emergency  
Management, Federal and World Affairs

Measure, Appointment or Topic: SB641

To whom it may concern,

My name is Monique Bochsler, and I am writing to express my support for SB 641. As a resident of Oregon, I believe this legislation is essential. Oregonians are facing significant challenges, and we should not allow foreign nations to influence our way of life. This bill seeks to prevent the People's Republic of China (PRC), along with its government agencies and entities under its jurisdiction, from acquiring or leasing agricultural land in Oregon. It explicitly states that any attempts by Chinese entities to purchase, lease, or gain any interest in property designated for exclusive agricultural use will be deemed legally invalid.

On behalf of my Precint 56 we voted me as a pcp and an Oregon resident, I highly support this.

Sincerely

Monique Bochsler
