

Submitter: Ryan Orr
On Behalf Of:
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB769

This bill is amazing. Restoring the local communities with the tools they deem best to manage populations is a great way to go. This allows for odfw to manage seasons/limits where counties are allowing harvest. Adding this tool for hounds back to the odfw resource list could serve to help mule deer populations that are decreasing.

I support this in a big way.

Thank you for taking a step in the right direction!
