Measure, Appointment or Topic: HB3053

Hi,

I am writing to pen my support for this measure, as it has the potential to make a wonderful impact on the lives of nonverbal and minimally verbal kids and their families. This population is so underserved and in need of intensive services, and a summer camp is something many likely only dream of. I believe these funds will be used in a way that truly benefits the most vulnerable members of our society, and I strongly urge you to pass this measure.

Sincerely,
Margaret Hess
