

Submitter: Rachel Coleman

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

I urge senators to vote in favor of this bill. Businesses have exploited workers for decades while workers' rights and wages have dwindled. Laborers have the right to dispute the terms of their labor, and should not be disqualified from unemployment insurance benefits while undergoing a labor dispute. Please vote in favor of laborers (the people).
