On Behalf Of: Mr Oregon OPPOSES HB 3236
Committee: House Committee On Housing and Homelessness
Measure, Appointment or Topic: HB3236

I OPPOSE [HB 3236]

"The Affordable Housing Lender Fund" is yet another expansion of Government burdening the Oregonian taxpayers. The aforementioned Fund is discriminatory per se, as the "Lending" is conditional and not treating people "equally" under the law.

There is "No" citizenship of the U.S.A. as a requirement. Illegal Aliens could use [HB 3236] to meet their housing desires. (Until I.C.E. catches up to them.)

The "conditional equity" calculations if and when the purchaser of a House under [HB 3236] sells the House shows how deceptive "The Affordable Housing Lender Fund" can be if...the buyer is not aware of the stated conditions and understands the Law.

Mr. Oregon Concurr and says, "Look at all the special interests drooling over the passage of [HB 3236]."
