

Submitter:	Irene Zimmerman
On Behalf Of:	OANP
Committee:	House Committee On Behavioral Health and Health Care
Measure, Appointment or Topic:	HB3439

As a well cared for patient of naturopathic physicians over several years I urge you to pass HB 3439 . Naturopathic Physicians are well regulated and licensed as primary care providers and should be paid fairly and on par with other primary car providers. Please support HB3439.
