On Behalf Of: Mr Oregon OPPOSES SB 473
Committee: Senate Committee On Judiciary
Measure, Appointment or Topic: SB473

I OPPOSE [SB 473].

[SB 473] does not include all government employees.

Every government employee is appointed into the civil service and should receive the same protections listed in [SB 473].

There should be severe punishments meted out upon all protestors who invade a government employees neighborhoods with the intent to intimidate and or to disturb the peace.

Mr. Oregon Concurr and says, "I am a retired government worker. Retired government workers should get the same protections too."
