From the TEXT of [SB 720], "...SECTION 1. In addition to and not in lieu of any other appropriation, there is appropriated to the Oregon Department of Administrative Services, for the biennium beginning July 1, 2025, out of the General Fund, the amount of \$5,000,000, for distribution to the Portland Opportunities Industrialization Center for construction and operation of the Sunrise Campus Cultural Workforce Center that will serve as a hub for preapprenticeship and apprenticeship programs that provide marginalized youth with skills training in construction and semiconductor manufacturing..."

The City of Portland can Fund this protect and not the Oregon taxpayers.

[\$5,000,000] from the GENERAL FUND should be used to pay down Oregon's indebtedness.
