

Submitter: ERICH KOELLER

On Behalf Of:

Committee: House Committee On Economic Development, Small
Business, and Trade

Measure, Appointment or Topic: HB3140

In 1980 I fell in love with Oregon and made it my home. I've climbed the mountains, hiked and skied the forests and paddled the rivers. I'd hate to see access closures because of frivolous lawsuits.Hb 3140 addresses this problem thoughtfully and has my full support.
