On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB769

I am in favor of hunting with dogs. Our population of deer and elk have significantly dwindled since the abolishment of hunting with dogs, yet there are many, many cougars sighted closer and closer to cities and towns (not just rural communities either) hunting pets and hunting and nesting on farms and ranches taking farm animals and pets due to their increased numbers and lack of natural food sources.
