

Submitter: Elizabeth Daggett  
On Behalf Of: Myself  
Committee: House Committee On Housing and Homelessness  
Measure, Appointment or Topic: HB2967

This is one more step to making it very difficult to succeed as a rental property owner and making it easier for rental owners to have increased burden to rent to qualified people who will take care of our property and pay their rents responsibly. This continued assault on rental property owners has forced us to sell off some of our properties leaving even fewer rental properties available. I truly wish you understood this.
