

Submitter: Emily Brabham

On Behalf Of:

Committee: House Committee On Education

Measure, Appointment or Topic: HB2953

As a concerned citizen, I know the needs for special education and mental health are growing in our communities. We need to rise to meet that need. As a youth minister, I work with a diverse group of young people including those with special needs and mental health challenges. I want to make sure that funding is available for ALL who qualify. It's our responsibility as a community to support these young people so they can achieve all they dream of!
