On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB769

I support SB769, being an Oregon resident for over 55 years and a lifetime hunter, I have seen a dramatic decline in big game numbers over the last 20 years. Realizing there are many factors involved I do believe predation control is a huge factor in the decline.

Sincerely,  
Scott Tiller
