In the 1974 election I was voted into the 1975 Session as a Republican legislator. Roger Martin was my Caucus leader, we were only 22 members that session. Roger took the three of us and lead us through what we needed to know to be effective leaders. He always recognized that we came from different areas and needs, allowing us the freedom of voting our conscience. We helped making good ideas better, how to fairly battle bad legislation and succeeded in even getting many of our ideas passed. He knew the system, how to win and lose gracefully but most of all, Roger was kind and made us proud to be Oregonians!
