

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES SB 665
Committee: Senate Committee On Judiciary
Measure, Appointment or Topic: SB665

I OPPOSE [SB 665] as written.

From the TEXT of [SB 665], "...SECTION 1. (1) Notwithstanding any other law, if a public body receives moneys that derive from the levy of a fine or civil penalty authorized under state law, the public body shall promptly transfer the entirety of such moneys to the State Treasurer for deposit in the General Fund for general governmental purposes...."

We have heard of "The King's Agent" but [SB 665] creates "The King's Pimp."

I do not approve of "The King's Pimp-b^tch-slappin' public bodies" for holding out sending collected judicial revenues back to Salem for use in the GENERAL FUND.

Hey Salem, pay off Oregon's atrocious debt and cut services. Start by shuttering the budgetary obese allocations from the GENERAL FUND to support The Housing and Community Services Department.

David S. Wall

Mr. Oregon Concurs and says, "Salem, keep your grubby paws away from Local revenues."
