On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2305

As a small "mom & pop" landlord, I urge passage of HB 2305.

Over the last few sessions i have watched as the Oregon legislature has stripped away important tools people like me use to run our businesses and to promote livable neighborhoods.

HB 2305 presents an excellent and fair tool for holding the small selection of tenants who routinely breach rental agreements accountable for their actions.

Please pass this bill.
