Measure, Appointment or Topic: HB2305

As a landlord and a business person the rules that are in place to protect tenants are an overreach. Imagine if you owned a property and the state has taken away your ability to remove tenants that are working the system. A landlord is helpless in these situations. Not only do they they have to pay for the eviction they also lose all of the income for the months that it takes to evict the tenant. We need your help.
