

Submitter: Robin Bloomgarden

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB91

To the Committee,

I am in full support of this Committee voting YES to prevent the use of or sale of PFAS containing firefighting foams! AI hope this also includes the colored stuff they drop on wildfires as well?

The idea that we are still using these toxic chemicals every day is abhorrent!

Please vote yes on SB 91.

Thank you,

Robin b
