Measure, Appointment or Topic: HB2953

I support HB 2953 because my son is a sophomore in High School, he is in the a SPED class, and they are terribly underfunded. He hasn't had a permanent teacher for the 2 years of high school AND the 3 years of middle school he has attended. They always seem to be short a Para-Educator as well. Please help give my son the support and tools he needs to be successful and lead a fulfilling life.
