

Submitter: Steve Lipsey

On Behalf Of:

Committee: House Committee On Economic Development, Small  
Business, and Trade

Measure, Appointment or Topic: HB3329

Every tax credit dollar given to a movie production is spent in Oregon, and then circulates many times, multiplying its effect manyfold. So it helps the people in the industry and then helps everyone else in Oregon!

Without significant credits Oregon cannot attract the bigger productions that hire many Oregonians, and then spend profusely.

We need these additional credits!!
