Re: HB 3140 Relating to recreation; declaring an emergency

Chair Nguyen and Members of the Committee:

My name is Robert Hackett, and I am the Executive Director of Travel Southern Oregon, the state's official Regional DMO for Southern Oregon. In support of the many outdoor recreation businesses, from river guides to ski areas to mountain bike guides, that help define Southern Oregon as a premiere outdoor recreation destination, please accept this letter of support for HB 3140.

The economic impact that our outdoor recreation partners provide is significant, and I have heard from many operators that the looming threat of liability insurance and culpability due to Oregon's currently unsupportive legal environment is very real. I deeply appreciate your efforts to consider HB 3140, and I urge you to support its passage to support our outdoor recreation partners across the state. The letter does not need to be long, even one paragraph can be impactful

Sincerely,

Robert Hackett
