

Submitter: Aaron Douglas
On Behalf Of: Self
Committee: House Committee On Housing and Homelessness
Measure, Appointment or Topic: HB2134

I am opposed to this bill. It is unnecessary to overburden the housing industry with additional regulations. This legislation is redundant. What is the legislature doing to support the development of market-rate and affordable housing at a time when the development pipeline is crashing? The legislature needs to refocus on the big picture and not get bogged down in minutiae.
