Oppose HB2967

Hello,

I am requesting that my testimony be placed on the record for HB2967.

HB 2967 needs to be denied / not passed

The increased costs would be an undue burden to all residents in a time that inflation has made everything expensive.

I would be forced to raise, each year, the rents to cover the costs that HB2967 would create. Currently, when I do issue a rent increase, it's only about 2-3%. If HB 2967 is passed, the state of Oregon would force me to raise rents even higher.

Once again, HB2967 = OPPOSED

Thank you,
Robert Mager
