

Submitter: Shantel Waddell
On Behalf Of: Self Enhancement Inc
Committee: Senate Committee On Housing and Development
Measure, Appointment or Topic: SB949

As a longstanding resident of the Portland community who currently lives in Gresham, OR our family strongly supports SB 949 which will allow more people the chance to attain affordable housing. I want to see more funding allocated to community organizations like Self Enhancement, Inc. who can bring the vision of home ownership back to so many from our community who have been locked out. I encourage a vote in support of this bill.
