On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB179

Dear Chair Prozanski, Vice-Chair Thatcher, and members of the committee,

My name is Jenny Hunter, and I am in support of passing lasting recreational immunity protections to keep Oregon's trails open.

I believe we should extend the increased level of immunity in Section 1 of the bill to private landowners who open their land to the public free of charge. Many of us who recreate in the back country occasionally find ourselves needing to pass a right of way or private section of land to safely continue our journey.

Additionally, trails that serve dual purpose as both recreation and transportation facilities are covered under the law; conveyance on all trails should in included.

Thank you for your time.
