Chair Nosse, Vice Chair Javadi & Members of the Committee
Senate Committee on Behavioral Health and Health Care
2025 Oregon Legislative Session

I am writing to you in support of HB 2676 that if passed would enact the DDH Compact in Oregon.

I am an expanded practice dental hygienist, I live in West Linn, and I work in several counties in Oregon providing mobile preventive oral health care. My practice is Oral Health for Life, LLC.

I support the DDH Compact because this will lend portability to licensure, allowing me to practice in others states without having to re-take board exams.

I strongly urge you to refer HB 2676 to the House with a do pass recommendation
Sincerely,

Lori Killen Aus RDHEP, MA, FADHA
