

Submitter: Rose Kaler

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB2774

I oppose HB 2774. this would just become a vehicle for the far left to use to take away our God given rights.

Vote no on this bill. as a fourth generation Oregonian, I support our 2nd amendment rights. If this bill is truly to protect children, it needs to be re written to cover all forms of abuse against a child.
