I am a landlord in Eugene. I support SB 2025. Landlords are suffering because it is so hard to evict a tenant for any cause. At this time I have 4 tenants not paying. Filed eviction. At 1st hearing the weather was bad with snow and ice the judge would not hear any case because she said some tenants may not be able to travel to the court house. All cases were held over for another week. This means I loose moor rent. If there was an easier way to evict non paying tenants it would be a tremendous help to landlords.

All landlords would appreciate your support in passing SB 2025

Thank you, Joyce Summers
