

Submitter: Randy Lodge
On Behalf Of: Landlords in Otegon
Committee: House Committee On Housing and Homelessness
Measure, Appointment or Topic: HB2305

I understand the need for compassionate housing for families in Oregon, I'm sympathetic to the challenges of difficult economic times.

I think some folks know they can play the system to their advantage and not pay rent. If we work to provide quality housing, we should be compensated for it.

I support this bill because it gives people three chances to improve their situation. If not they will be filtered out. It may be a hard lesson, but a valuable one indeed.

Thanks,
