

Submitter: Thea Lee
On Behalf Of: Myself private landlord
Committee: House Committee On Housing and Homelessness
Measure, Appointment or Topic: HB2305

Dear Legislators:

Please support HB 2305.

I have provided affordable housing in Eugene and Springfield areas for more than 30 years.

It is more and more difficult to provide affordable housing with all the new laws against landlords.

Landlords need your help in retaining responsible tenants and the ability to remove tenants with bad behaviors.

If you want more available housing please support HB 2305

Thank you,

Private landlord
