

Submitter: Susan Temple  
On Behalf Of: Hb2306  
Committee: House Committee On Housing and Homelessness  
Measure, Appointment or Topic: HB2305

As a rental homeowner I am in favor of this measure. I have seen and heard of the hardships imposed on my fellow rental owners from tenants who don't pay their rent. And then trying to get the tenant evicted is a nightmare. If something doesn't change soon, the only

Ones owning rentals will be big corporations who can absorb all the lost rents and court costs.

Please vote to pass this legislation.

Thank you
